RESPONSES TO QUESTIONS

1. **On the SAWS website for 2015 Open Cut Sanitary Sewer Construction Package I specifications and plans are available for review. On Package II I am only finding specifications. Are plans available for Package II?**

Location/scope is undefined for Package II; no plans will be provided for this bid.

2. **I'm not sure if you are aware but the plans that are posted for Package I on your website are for Job No. 14-4768, W Hutchins Place (SSO) #843 Sanitary Sewer. Are there going to be plans for Package II?**

Refer to Addendum 1 for Package I. Location/scope is undefined for Package II; no plans will be provided for this bid.

3. **I fully understand the cutoff date for the job specific question. The only reason I am inquiring at this earlier time frame about the plans is Package I has 8 different locations scattered all across the City of San Antonio. It takes a great deal of time to physically look at the many different work sites, but we also have to obtain material quotes for the different locations, along with dump sites etc... If Package II is similar and we wait until 4pm July 17th for this information, that does not leave sufficient time to properly evaluate and bid this work allowing SAWS the best possible prices.**
