David Steubing	27.10	\$125	2023	\$16,937.50

*These are "as-read" results. True results are calculated by the as-read price of Price Per acre-foot (PPA) x Acre-feet per annum offered x 5 yrs = Total Lease Cost. The true calculation Total Lease Cost results will be posted with the Response to Request for Lease Bids along with the status of the bids.
