Solicitation Number: CO-00434-FG
Job No.: 20-1705**

**ADDENDUM 1
July 6, 2021**

To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bid proposal, plans and specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the bid proposal.

RESPONSES TO QUESTIONS

1. Question: Did you have a geotechnical report for this project?

Response: There is no geotechnical report available for this project.

2. Question: I do not see a bid bond form in this proposal packet. Is the Penal Sum Form Ok?

Response: Please see Instructions to Bidders, Section 3 for Bid Bond requirements.

3. Question: Is there a Geotech report?

Response: There is no geotechnical report available for this project.

4. Question: Is this project under Boerne inspection team?

Response: The construction of the sewer main will be inspected by the consultant engineer and SAWS. Inspectors from other agencies, such as the City or County, may be involved regarding impacts to the roadway and drainage, but SAWS has no knowledge of that involvement at this time.

5. Question: Does the bore need annular grouting between casing and carrier pipe?

Response: Grouting of the space is not required by SAWS.

6. Question: Can the project bid date be moved to the 16th with all the projects bidding we need a little more time?

Response: This project is set to receive bids on July 13th in order to meet the deadline to be considered in the August SAWS Board of Trustees meeting. The 16th would be after that deadline.

7. Question: With this project being in rock soils and the amount of pipe we need at least 120 calendar days to complete.

Response: The expected calendar days of the project has been revised to 120 days. See the attached, revised Bid Proposal page 1 and proposal certification.

8. Question: Can we use water barriers in-lieu of concrete barriers?

Response: Concrete barriers will be required.

CHANGES TO THE SPECIFICATIONS

1. Remove and replace entire "Bid Proposal" with the attached updated Bid Proposal. The amount of calendar days for the project has been revised. The updated version must be used by Bidders when submitting a response for the project. Failure to do so may result in the bid being found non-responsive and rejected.
2. Remove and replace "Proposal Certification" with the attached updated Proposal Certification. The amount of calendar days for the project has been revised. The updated version must be used by Bidders when submitting a response for the project. Failure to do so may result in the bid being found non-responsive and rejected.

PROPOSAL CERTIFICATION

Accompanying this proposal is a Bid Bond or Certified or Cashier's Check payable to the Order of the San Antonio Water System for _____ dollars (\$ _____), which amount represents five percent (5%) of the total bid price. Said bond or check is to be returned to the bidder unless the proposal is accepted and the bidder fails to execute and file a contract within **10** calendar days after the award of the Contract, in which case the check shall become the property of said San Antonio Water System, and shall be considered as payment for damages due to delay and other inconveniences suffered by said San Antonio Water System due to the failure of the bidder to execute the contract. The San Antonio Water System reserves the right to reject any and all bids.

It is anticipated that the Owner will act on this proposal within **60** calendar days after the bid opening. Upon acceptance and award of the contract to the undersigned by the Owner, the undersigned shall execute standard San Antonio Water System Contract Documents and make Performance and Payment Bonds for the full amount of the contract within **10** calendar days after the award of the Contract to secure proper compliance with the terms and provisions of the contract, to insure and guarantee the work until final completion and acceptance, and the guarantee period stipulated, and to guarantee payment of all lawful claims for labor performed and materials furnished in the fulfillment of the contract.

It is anticipated that the Owner will provide written Authorization to Proceed within **30** days after the award of the contract.

The work called for in this Contract shall commence on the date indicated in the SAWS written Authorization to Proceed. Under no circumstances shall the work commence prior to the date provided for in the SAWS issued, written Authorization to Proceed. Work shall be completed in full within **120** consecutive calendar days.

The undersigned further acknowledges compliance with "Wage and Labor Standard Provisions" of this contract and the use of the Blue Book rental rates for establishment of equipment rental rates whether owned or leased during the course of this Contract.

In completing the work contained in this proposal the undersigned certifies that bidder's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin and that the bidder will affirmatively cooperate in the implementation of these policies and practices.
