The following are questions received by SAWS during the advertisement period and the mandatory pre-bid meeting. The responses are provided for each question received.

Mandatory Pre-Bid Inquiries

Q01 Do we have to submit a Bid Bond for all 5 projects?

Response: *Yes, every single contract will require a bid bond with cashier's check. The Bid Bond has to be an original Bid Bond. It cannot be a copy.*

Q02 Previously you all had given maps and photos and special conditions on your other IDIQ's, are you all going to have those on these contracts? Examples of work orders you all had on streets and alleys.

Response: *Before we had maps available. The special conditions are in the packages, but the maps are not available because we do not have them all identified yet. Some are on current contracts, some are being scoped out. Projects could be anywhere in the City of San Antonio, sometimes in one area or sometimes all over San Antonio.*

Q03 Prices on the contract are good for 730 days, but this is from Time of Award or Notice to Proceed?

Response: *It is from Time of Award. In the instruction to bidders we have the duty to award the contract within 60 days of bid opening.*
