ADDENDUM 2
September 22, 2021

To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bid proposal, plans and specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the bid proposal.

RESPONSES TO QUESTIONS

1. Question: Also is Warren Environmental (approved by SAWS) considered approved in this project for the rehabilitation of manholes

Response: Remove and replace the response to Question No. 2 on Addendum No. 1 with the following:

Warren 100% Solids Epoxy System 301-14 and 301-18 are currently only Approved for TESTING for use in coating sanitary sewer manholes. The scope of this project does not allow for testing of manhole coatings/linings and only products in the material specifications or specified by the design consultant for specific locations that were part of the design process are allowed for use on this project.
