<b>RESPONSES TO QUESTIONS</b>
-------------------------------

1. Was there any reason or design changes that warranted rejection of all bidders?

*The rejection of bidders was due to a change of material within the design. The change of material required a change of descriptions and estimate towards bid items.*

2. As well, the qualification statement requests three project within the past five years for laying DI. As you know, less than 10% of SAWS water projects are DI, and almost no surrounding municipalities install DI. Are three projects necessary to qualify to bid this project?

*Yes, three (3) projects are required to qualify to bid this project.*

<b>CHANGES TO THE SPECIFICATIONS</b>

3. The deadline for bid packets has been extended to December 21, 2021. Remove Paragraph six, through eight (6, 7, 8) from the Invitation to Bidders, Page IV-1 and replace with the following:
