

**SAN ANTONIO WATER SYSTEM
WATER SYSTEM CONSTRUCTION**

Addendum No. 1

To

Specifications

For

**2012 Concrete Placement Work Order Construction Contract
SAWS Job Nos. 12-0120 (O&M)**

To Bidder of Record:

This addendum, applicable to the work associated with the above referenced Contract, is an amendment to the bidding documents and as such shall be a part of and included in the Contract. The original contract documents and any prior addenda remain in full force except as modified by the following, which shall take precedence over any contrary provisions in prior documents.

Questions and Answers:

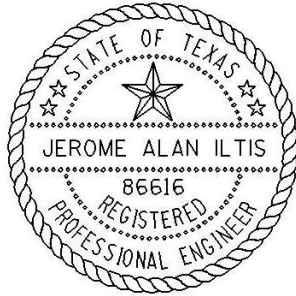

The following written questions were received by SAWS subsequent to the August 29, 2012 pre-bid meeting. Responses to the questions are provided as follows:

Q1 – There is a 48 hour notice requirement for Dig Test and 48 hour notice to residents. We feel more time is need than the 3 day / 5 day time for completion of the work orders. Please review.

Response: Typically the residents don't want to wait 48 hours before work starts. This 48 hour residence notification requirement is only for residents who may require that much time to make accommodations for the work. Work may begin as soon as residents and Dig Tess permit. SAWS will allow additional time to complete the work order if there are unusual cases that justify extending the completion of the work.

Q2 – The discussion during the pre-bid meeting was that excavation, flexible base and/or backfill would be inclusive in the flatwork item. However, there are bid items for flexible base, reinforcing steel, excavation, etc. Please explain.

Response: The bid items for flexible base and excavation are for situations when over-excavation may be required, or when substantially more flexible base is needed for fill in order to achieve the desired elevation. These bid items will be paid at the discretion of SAWS. The bid item for reinforcement is paid for special projects only.

Jerome A. Iltis, P.E.
O&M Engineering
San Antonio Water System

The undersigned acknowledges receipt of this Addendum No. 1 and the bid submitted herewith is in accordance with the information and stipulation set forth.
