

**SAN ANTONIO WATER SYSTEM
WATER SYSTEM CONSTRUCTION**

Addendum No. 1

To Specifications For

Alamo at Guenther Ph II – Water and Sewer Siphon Project

SAWS Job No. 12-5046 & 12-5546

Solicitation No. B-13-034-MR

To Bidder of Record:

This addendum, applicable to the work associated with the above referenced Contract, is an amendment to the bidding documents and as such shall be a part of and included in the Contract. The original contract documents and any prior addenda remain in full force except as modified by the following, which shall take precedence over any contrary provisions in prior documents.

Invitation to Bidders:

Change the sealed bids will be received until **11:00 a.m.** rather than 10:00 a.m. The bids will then be publicly opened and read aloud after 11:00 a.m. The date and location for receiving and readings of the bids are remaining the same.

Supplemental Conditions:

Add the following item to SS-3.0 CITY MANDATED WORK STOPAGES

SS-3.1 City will not allow any construction activities on December 20th, 2013 through January 3rd, 2014.

SS-3.2 City will not allow any construction activities on November 17, 2013 this will include the removal of all traffic control/barricades from Guenther near Alamo. A traffic control plan with applicable access for this event will be submitted to and approved by SAWS/CoSA.

5/17/13

Joseph Cotton, P.E.
