Small Capacity Well Mitigation Program SAWS Job No. 10-8602-206 Solicitation B-10-021-CM

The Contractor herein acknowledges receipt of the following: Addendum Nos.

OWNER RESERVES THE RIGHT TO ACCEPT THE OVERALL MOST RESPONSIBLE BID.

not and a second The bidder offers to construct the Project in accordance with the Contract Documents for the contract price, and to

# BIDDER'S EXPERIENCE FORM

#### **BIDDER'S EXPERIENCE**

In order to make a responsive Bid, the Bidder must provide evidence of being a responsible bidder by providing a minimum of three successfully completed water well service projects and three successfully completed water well construction projects completed within the last five years. A successfully completed project is considered as a project that did not involve the Bidder defaulting on the contract, was completed within the contract time and incurred zero (0) owner claims. Bidders should reference projects that meet the following criteria:

#### Well Service Project:

- Submersible well pumps set to at least 300 feet, and;
- Minimum capacity of 10 gallons per minute.

#### Well Construction Project:

- Construction of screened and gravel-packed wells completed in the Carrizo-Wilcox Aquifer or similar aquifer by mud rotary drilling method:
  - Well depth of at least 400 feet in total depth; and
  - Casing diameter of at least 6 inches.
- Construction of an open hole well completed in the Edwards Aquifer of Trinity Aquifer by air rotary drilling method:
  - o Well depth of at least 600 feet in total depth, and
  - Casing diameter of at least 6 inches.

Data given must be clear and comprehensive. Include specific project name, facility owner, diameter, capacity, and depth of pump installation; and depth, casing diameter and aquifer formation completed in of constructed wells. Contract amounts shall be included for all projects listed. The San Antonio Water System in determining the responsible bidder will evaluate the Bid price and Bidder's demonstrated experience and the ability to perform the work.

# SUBCONTRACTOR'S EXPERIENCE FORM

#### SUBCONTRACTOR'S EXPERIENCE

In order to make a responsive Bid, the Bidder must provide evidence of being a responsible bidder by demonstrating that subcontractors to be used by the Bidder have completed a minimum of three successfully completed water well service projects and three successfully completed water well construction projects completed within the last five years. A successfully completed project is considered as a project that did not involve the subcontractor defaulting on the contract, was completed within the contract time and incurred zero (0) owner claims. Bidders should reference subcontractor projects that meet the following criteria:

#### Well Service Project:

- Submersible well pumps set to at least 300 feet, and;
- Minimum capacity of 10 gallons per minute.

#### Well Construction Project:

- Construction of screened and gravel-packed wells completed in the Carrizo-Wilcox Aquifer or similar aquifer by mud rotary drilling method:
  - Well depth of at least 400 feet in total depth; and
  - Casing diameter of at least 6 inches.
- Construction of an open hole well completed in the Edwards Aquifer of Trinity Aquifer by air rotary drilling method:
  - Well depth of at least 600 feet in total depth; and
  - Casing diameter of at least 6 inches

Data given must be clear and comprehensive. Include specific project name, facility owner, diameter, capacity, and depth of lineshaft pump installation, and depth, casing diameter and aquifer formation completed in of constructed wells. Contract amounts shall be included for all projects listed. The San Antonio Water System in determining the responsible bidder will evaluate the Bid price and Bidder's demonstrated experience and the ability to perform the work.

#### Complete a separate Subcontractor's Experience Form for <u>each</u> subcontractor to be used.

## PROPOSAL (Continued)

Accompanying this proposal is a Bid Bond or Certified or Cashier's Check on a State or National Bank payable to the Order of the San Antonio Water System for \_\_\_\_\_\_\_ dollars (\$\_\_\_\_\_\_\_), which amount represents five percent (5%) of the total bid price. Said bond or check is to be returned to the bidder unless the proposal is accepted and the bidder fails to execute and file a contract within \_\_\_\_\_\_\_ Calendar days after the award of the Contract, in which case the check shall become the property of said San Antonio Water System, and shall be considered as payment for damages due to delay and other inconveniences suffered by said San Antonio Water System due to the failure of the bidder to execute the contract. The San Antonio Water System reserves the right to reject any and all bids.

It is anticipated that the Owner will act on this proposal within <u>60</u> calendar days after the bid opening. Upon acceptance and award of the contract to the undersigned by the Owner, the undersigned shall execute standard San Antonio Water System Contract Documents and make Performance and Payment Bonds for the full amount of the contract within <u>10</u> calendar days after the award of the Contract to secure proper compliance with the terms and provisions of the contract, to insure and guarantee the work until final completion and acceptance, and the guarantee period stipulated, and to guarantee payment of all lawful claims for labor performed and materials furnished in the fulfillment of the contract.

It is anticipated that the Owner will provide written Authorization to Proceed within 30 days after the award of the Contract.

The Contractor hereby agrees to commence work under this Contract within seven (7) calendar days after issuance by the SAWS of the written Authorization to Proceed. Under no circumstances shall the work commence prior to Contractor's receipt of SAWS issued, written Authorization to Proceed.

The undersigned certifies that the bid prices contained in the proposal have been carefully checked and are submitted as correct and final.

In completing the work contained in this proposal the undersigned certifies that bidder's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin and that the bidder will affirmatively cooperate in the implementation of these policies and practices.

#### **SECTION B. – SMWB COMMITMENTS**

The SMWB goal on this project is <u>17%</u>

1. The undersigned contractor has satisfied the requirements of the BID specification in the following manner (please check the appropriate space):

\_\_\_\_\_ The contractor is committed to a minimum of \_\_\_\_ % SMWB utilization on this contract.

\_\_\_\_\_ The contractor (if unable to meet the SMWB goal of \_\_\_\_%) is committed to a minimum of \_\_\_\_\_% SMWB utilization on this contract. (If contractor/consultant is unable to meet the goal, please fill out Section C and submit documentation demonstrating good faith efforts).

2. Name and phone number of person appointed to coordinate and administer the SMWB requirements on this project.

Name:	
Title:	
Phone Number:	

# IF THE SMWB GOAL WAS MET, PROCEED TO AFFIRMATION AND SIGN THE GFEP. IF GOAL WAS NOT MET, PROCEED TO SECTION C.

During the term of the contract, the contractor must report the actual payments to all the SMWB subcontractors on a monthly basis, on the "Subcontractor Report Form" or in other specified time intervals and format prescribed by the SAWS. Any unjustified failure to comply with the levels of SMWB participation identified in the bid and affirmed in the Good Faith Effort Plan shall be considered a material breach of contract. The SAWS reserves the right, at any time during the term of the contract to request additional information, documentation or verification of payments made to subcontractors in connection with the contract. Verification of amounts being reported may take the form of requesting copies of canceled checks paid to SMWB participants and/or confirmation inquiries directly to the SMWB participants. Proof of payments, such as copies of canceled checks must properly identify the project name or project number to substantiate SMWB payment for this project.

The completed Subcontractor Report Forms should be mailed to:

San Antonio Water System SMWB Program 2800 U. S. Hwy 281 N., Suite 171 San Antonio, TX 78212

#### SECTION C - GOOD FAITH EFFORTS (Fill out only, if the SMWB goal was not achieved).

 List all firms you contacted with subcontracting/supply opportunities for this project that will not be utilized for the contract by choice of the contractor, subcontractor, or supplier. Written notices to firms contacted by the contractor for specific scopes of work identified for subcontracting/supply opportunities must be provided to subcontractor/supplier not less than five (5) business days prior to bid/proposal due date. The following information is required for all firms that were contacted of subcontracting/supply opportunities.

### CONFLICT OF INTEREST QUESTIONNAIRE NOTE:

"Effective January 1, 2006, Chapter 176 of the Texas local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with SAWS shall file a completed conflict of interest questionnaire with the SAWS Manager of Contract Administration no later than the  $7^{\text{th}}$  business day after the date that the person: (1) begins contract discussions or negotiations with SAWS; or (2) submits to SAWS an application, response to a request for proposals or bids, correspondence, or another writing related to a potential agreement with SAWS. The Conflict of Business questionnaire is attached on the following page and is available from the Texas Ethics Commission at www.ethics.state.tx.us. Completed Conflict of Interest questionnaires should be included with your bid or may be delivered by hand, within 7 business days of the bid opening, to the Manager of Contract Administration. If mailing a completed Conflict of Interest questionnaire, mail to: David Gonzales, Manager, Contract Administration, 2800 U.S. Hwy 281 North, San Antonio, TX 78212. If delivering a completed Conflict of Interest questionnaire, deliver to Contract Administration, Tower 2, 1<sup>st</sup> Floor, Room 171, 2800 U.S. Hwy 281 North, San Antonio, TX 78212. Please consult your own legal advisor if you have questions regarding the statute or form."

CONFLICT OF INTEREST QUESTIONNAIREFORM CIQFor vendor or other person doing business with local governmental entityFORM CIQ							
This questionnaire reflects changes made to the law by H.B. 1491, 80th Leg., Regular Session.	OFFICE USE ONLY						
This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a person who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the person meets requirements under Section 176.006(a).	Date Received						
By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code.							
A person commits an offense if the person knowingly violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.							
1 Name of person who has a business relationship with local governmental entity.							
2 Check this box if you are filing an update to a previously filed questionnaire.							
(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)							
3 Name of local government officer with whom filer has employment or business relationshi	p.						
Name of Officer							
This section (item 3 including subparts A, B, C & D) must be completed for each officer with whom the filer has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.							
A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the filer of the questionnaire?
