

PATIOSCAPE COUPON REQUIREMENTS

Requirements:

- The patioscape coupon is only valid toward the purchase of pavers, stepping stones or flagstone. Base and other materials needed to create a patio are not included in the coupon. SAWS will not dictate variety or color of stones purchased other than stated above.
- Patioscapes must be constructed in a way that allows rain to infiltrate the ground (pervious). No concrete, mortared, asphalt or other impervious construction is allowed.
- Coupon value may be either \$100 or \$200 for areas with an automatic irrigation system.
- Customers will be able to apply May 1, 2014 through July 31, 2014.
- All coupons regardless of issue date will expire on August 31, 2014. Expired coupons will not be reissued; customers will have to wait to reapply during the next offering.
- Customers may be approved for up to 2 coupons.
- Customers must purchase and/or source enough materials to create a contiguous 200 sq. ft. patio. Pathways will not be counted as part of 200 sq. ft.
- Customers are expected to remove a minimum of 200 sq. ft. of irrigated grass per coupon.
- In general, SAWS will have information on turf removal and other tips/information as appropriate that will be given to the customer along with their coupon. SAWS will provide each participating vendor the same information given the customer.
- Vendors may develop Point of Purchase display from the information. Refer to the contract agreement for terms and conditions regarding marketing.
