

Supervisory Control and Data Acquisition Systems (SCADA) Security Assessment RFP
Solicitation Number: R-21-007-FG

ADDENDUM 3
July 7, 2021

To Respondent of Record:

MODIFICATIONS TO RFP

1. Remove Section IV. Submitting a Response, B. Submission, 1. and replace with the following:
 1. Address a PDF of your submittal to contracting@saws.org. Entitle the subject line of the submission email with "R-21-007-FG– SCADA Security Assessment (RFP)" and name of Respondent. If any hard copy proposals are submitted in error, they will not be evaluated for consideration. The file size limitation for submission is 10MB per file. *Only two (2) files* with all required response information shall be submitted. A brief e-mail response will be provided to acknowledge receipt of your submission. Pages requiring signatures shall be scanned or electronically signed. The submission shall be tabbed and "bookmarked" in PDF to match the response format indicated further in this solicitation. The entire submission shall be in searchable PDF format.

END OF ADDENDUM 3

This Addendum is one (1) page in its entirety, with no attachments.
