Subject: Amendment to Respondent Questionnaire

Dear Gentlemen or Ladies:

The San Antonio Water System's Contract Administration Division has a need to amend the above referenced RFP, dated April 16, 2010 as follows:

**A. The Respondent Questionnaire currently reflects the questions as listed below.**

- 10.c. Have you or any member of your Firm been involved in any claim or litigation with the San Antonio Water System or any other Federal, State or Local Government, or Private Entity during the last ten (10) years?
- 10.d. Have you or any member of your Firm either individually or as a representative of another person or entity been involved in litigation with or against the City of San Antonio, SAWS or CPS Energy within the last ten (10) years?

**B. The questions will be revised as follows:**

- 10.c. "Has your firm or any member of your firm been a **defendant party** to litigation with the San Antonio Water System or any other federal, state or local government or private entity during the last 10 years?"
- 10.d. "Has your firm or any member of your firm either individually or as representative of another person or entity filed a claim or lawsuit **against** the City of San Antonio, SAWS or CPS Energy within the last 10 years?"

The response should include administrative matters as well as actual lawsuits.

**NOTHING ELSE CONCERNING THE SCOPE, LOCATION, OR NUMBER OF SUBMITTALS FOR THIS RFP HAS CHANGED.**

Direct any inquiries concerning this addendum to the Contract Administration Office at (210) 233-3405.
