Professional Engineering Services RFQ
Solicitation No: Q-10-016-DG**

Questions and Answers – November 3, 2010

This includes responses to questions received prior to this date.

Questions and Answers

- Q1. If we are a certified SBE with the SCTRCA and pursuing this as a Prime, does that fulfill the SMWB goal of 25%? Or do we have to bring in local minority contractors as well?
- A1. SBE-certified firms receive 5 points for being SBE-certified, but will still need to utilize certified, SMWB subcontractors to achieve the 25% goal for Professional Services and to receive up to an additional 5 points for a maximum total of 10 points.
