

REQUEST FOR QUALIFICATIONS Water and Revenue Loss Management Professional Services

RFQ Q-13-018-DB

ADDENDUM #2 | August 30, 2013

This addendum, applicable to project noted above, is an addendum to RFQ and as such shall be a part of and included in the Contract. Acknowledge receipt of this addendum by entering the addendum number and issue date in the spaces provided on all submitted copies of the submittal.

Answers to Questions

1. Will we be able to obtain the following information from SAWS for use in completing the water loss control study:
 - ~10 years of hourly production and treated water storage data for the system
 - A. *NO - we have monthly/annual data for 10yrs.*
 - GIS mapping of the water system that includes all connections, their size, and customer category
 - A. *NO - Homeland Security Concerns per Cindy Tuttle.*
 - Locations and data from any sub-meters within the distribution system
 - A. *YES*

- ~10 years of water billing data

A. YES

- Could you send us a copy of your most recent water conservation plan, and water audit to refer to while preparing the SOQ?

A. *Yes, can provide the most recent WCP. The most recent 3 years' water audits were attached as supplements to this RFQ.*

2. If our firm does not have employment or business relationship with any local government officers, how should we approach the Exhibit C requirements? There does not appear to be an option around selecting that we have no such affiliations.

A. *In section 3. Name of local government officer with whom filer has employment or business relationship. Insert N/A, sign and date the form.*

END OF QUESTIONS
