Dear Edwards Aquifer Authority Permit Holder:

Thank you very much for considering submitting a bid to SAWS for the lease of your Edwards Aquifer groundwater withdrawal rights. Effective July 22, 2016, the San Antonio Water System (SAWS) will be suspending the lease solicitation for Edwards Aquifer groundwater withdrawal rights. Future lease solicitations for Edwards Aquifer groundwater withdrawal rights will be re-evaluated at a later date. If SAWS opts to issue a lease solicitation, you will receive correspondence from SAWS notifying you of the invitation for lease bids.

Thank you for considering doing business with SAWS. We look forward to working with you in the future.

Regards,
