**Change to Invitation to Bidders**

1. Invitation to Bidders, page IV-1, please remove and replace

For questions regarding this solicitation, technical questions or additional information, please contact Diana Woltersdorf, in writing via email to: [diana.woltersdorf@saws.org](mailto:diana.woltersdorf@saws.org) until **4:00 PM (CT) on September 23, 2016**. Answers to the questions will be posted to the web site by **4:00 PM (CT) on September 28, 2016** as a separate document or included as part of an addendum.

A **mandatory** pre-bid meeting will be held at **1:30 PM (CT) on September 21, 2016** at the San Antonio Water System's Dos Rios Water Recycling Center O&M Building, Training Room, 3495 Valley Road, San Antonio, Texas 78221. Please be advised that under no circumstances shall any late or non- attendee(s) to the Mandatory Pre-Bid Meeting be allowed to submit a bid for the project. A non-mandatory site visit will be held following the mandatory pre-bid meeting.

**Clarifications**

1. The above changes to the Invitation to Bidders changed the date and time of the mandatory pre-bid meeting, provided an additional day for questions, as well as notifies potential bidders that a non-mandatory site visit will be held after the mandatory pre-bid meeting.
2. Please see the attached map to assist in locating the location of the mandatory pre-bid meeting at the Dos Rios WRC.
3. SAWS has a new security policy in place which requires all visitors to obtain a temporary badge in order to proceed past the guard station. Therefore, it will be necessary for all persons attending the pre-bid meeting to allow sufficient time to check-in. We recommend arriving at least 30 minutes prior to the meeting start time.

At check-in with the guard station, the guard will ask to see the attendee's identification, preferably a driver's license, and will need to record the attendee's name, job title and company name. Also, please advise the guard that you are here to attend a meeting at the location referenced above.

If the attendee is already in possession of a SAWS issued contractor badge, this is sufficient and should be worn upon entering the SAWS Customer Service Building and kept on during the meeting and until exiting the building.
