Date Signature of bidder

Appended hereto and part of Addendum No. 2 is:

1. CONTRACTOR QUESTIONS AND ANSWERS DOCUMENT

QUESTIONS AND ANSWERS

1. **Question:** My question was regarding the QP1 certification that is required for painting contractors on this job. Two questions...Is this a SAWS requirement or an engineers requirement? Will a QP2 certification suffice?
 1. **Answer:** The bidder must hold a current NACE International Institute Contractor Accredited Program Certification, AS-1 F (NIICAP AS-1 F) or SSPC-QP1 Certification per Special Conditions SC2.3. The SSPC-QP1 certification is a prerequisite for the SSPC-QP2 certification, so a Contractor having a current SSPC-QP2 certification meets the experience requirement.
