

EASTSIDE AND WESTSIDE SERVICE CENTER REMODEL PROJECT
Solicitation No. B-21-012-LE
Job No. 22-0109

ADDENDUM NO. 4
November 19, 2021

To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bidding documents and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the addendum number and issue date in the space provided in the submitted bid proposal.

CHANGES TO THE SPECIFICATIONS

We will modify one (1) of the cashier stations to be ADA compliant. The west most cashier station, closest to room Cashier 101 will be the modified location. The countertop will be installed to a maximum hold height of 34". The new, modified width of the cashier station will be one segment of the 7 equal parts as shown on elevation 1/AI-402. One (1) of the teller pedestals may need to be modified to a new, lower height to meet this height requirement. The bullet resistant material above the counter will need to be modified to sit on the counter as all the other cashier stations and the topmost part of the bullet resistant material will align with the rest of the cashier stations for a continuous termination point at 7'-0" above the finished floor. All finish materials are to remain the same.

END OF ADDENDUM 4
