RESPONSES TO QUESTIONS

1. Question - I didnt see any plans on this project on the website

Response – There are no plans included. Because this is a work order maintenance repair contract, each work order can be site specific anywhere in the SAWS service area. The work scope developed for each work order, will include various line items from the Bid Proposal with various quantities specific to the work order repair location.

2. Question - were a paving contractor and only performing a few activities how can i get contacts information for all GC so I can provide pricing for each project.

Response – A plan holders list is available for download on the solicitation website. This list will provide you the company information.
