2.0 Responses to Bidders Questions

Question: 347 Stimmel, can I build a house on this property; I mean it's not sitting on some sort of hazardous dump site?

Answer: This property is located in a plated subdivision in the City of San Antonio. Bidder will therefore need to contact the City of San Antonio Development Services for their requirements for new construction. There is no information in our files indicating that this property was previously a hazardous dump site.

Each bidder is requested to acknowledge receipt of this Addendum No.1 by his/her signature affixed hereto and to file same with and attached to his/her bid.
