ADDENDUM 1
March 18, 2019

To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bid proposal, plans and specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the bid proposal.

CLARIFICATIONS

1. Supporting documents, though not specific to this project site, are being made available to Respondents for informational purposes that will assist them in understanding the subsurface conditions in the area. These documents are a combination of geophysical logs, construction data from the previously drilled brackish production wells, information about the water supply well the Contractor will need to use, and various reports that are referenced in the technical specifications.
2. To access this information, please contact Stella Manzello, Contract Administrator, in writing via email to: Stella.Manzello@saws.org. A link and password will be provided upon receipt of email.
