**ADDENDUM 4**  
**November 11, 2022**

To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bid proposal, plans and specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the bid proposal.

**CHANGES TO THE SPECIFICATIONS**

1. Section 5.3 shall be amended by adding Section 5.3.14 after Section 5.3.13 as follows:
  14. The personnel specified below are considered by SAWS to be essential to the work being performed under this Contract, and as such are defined as Key Personnel. Key Personnel include the Project Manager, Superintendent, Quality Control (QC) Manager, Project Scheduler, and Safety Coordinator. Proposed Key Personnel must remain actively involved and be readily available throughout the construction phase of the project. The Project Superintendent shall provide full-time on-site supervision of the Work ongoing at the site. Respondents shall assign and provide qualified Key Personnel that can effectively fulfill the responsibilities of their role for the duration of the project. Contractor must use best judgement to ensure proposed Key Personnel remain effectively involved in the project for its entire duration. Prior to diverting any of the specified individuals to other projects, the contractor shall notify the Owner reasonably in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the project. No diversion shall be made by the contractor without the written consent of the Owner.

Subcontractor is defined in Article I, Contract Definitions of the General Conditions of the Contract Documents. Respondents should reference this definition prior to submitting a proposal in response to this Request for Competitive Sealed Proposals ("RFCSP").

Key Subcontractors are defined as subcontractors that are responsible for executing a significant portion of the work being performed under this Contract. The Key Subcontractor roles could include tank cleaning, electrical, and instrumentation and controls services, which are considered by SAWS to be essential to the work being performed under this Contract, amount to a significant portion of the work, and as such shall be performed by Key Subcontractors. Prior to diverting any of the specified Key Subcontractors and associated Key Personnel to other projects, the contractor shall notify the Owner reasonably in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the project. No diversion shall be made by the contractor without the written consent of the Owner.
