

**SAN ANTONIO WATER SYSTEM
2019 THIRD PARTY COLLECTION SERVICES**

**SOLICITATION NO. R-19-001-FF
REQUEST FOR PROPOSALS**

**STATEMENT OF CLARIFICATION
February 13, 2019**

1. Pre-Submittal Conference/Meeting

It has come to the attention of SAWS that when printing the Interested Firms List, located on the RFP webpage, that a date and time for a pre-submittal meeting are noted on the top of the page. SAWS has corrected this glitch in our system. As stated in the RFP, there will not be a Pre-Submittal Conference for this solicitation.

2. Local SMWVB-Certified Firms

SAWS has posted lists of local SMWB-certified firms to the project webpage for informational purposes only. SAWS does not pre-endorse or pre-qualify any firms on the lists. The firms found in the lists simply meet the requirements for counting toward SAWS SMWB goals, as outlined in the RFP, for the areas of work contained in the RFP. Respondents are not limited to the firms on the lists for outreach; firms may reach out to local publications, trade organizations, bidding websites, and chambers of commerce to find additional sources for outreach.

List of Local SMWVB-certified firms posted:

- Law Firms
- Design, Print, and Direct Mail Firms (Turnkey)
- Direct Mail Firms
- Collection Services Firms
