

**SAN ANTONIO WATER SYSTEM
ADVANCED METERING INFRASTRUCTURE (AMI) CONSULTING AND PROGRAM
MANAGEMENT SERVICES**

**SOLICITATION NO. R-19-003-JG
REQUEST FOR PROPOSALS**

**ADDENDUM 1
February 22, 2019**

CLARIFICATIONS

1. Deadline:

The deadline for this project falls during the week of spring break for San Antonio schools. Due to SAWS proximity to several child-focused organizations, traffic can be very congested during this week.

As outlined under item A. Deadline of section IV. Submitting a Response, SAWS strongly encourages Respondents to submit proposals in advance to avoid last minute issues. If responses are late, proposals will not be accepted.

2. Interviews:

SAWS anticipates scheduling interviews with short listed Respondents who will be notified approximately one (1) week in advance of the interview. Interview times will be assigned at random, but will very likely take place during the earlier part of the day on Thursday April 11, 2019 and the afternoon on Friday April 12, 2019. It is imperative that Respondents to this RFP ensure that they are available for either date should their firm be short-listed.

END OF CLARIFICATIONS

CHANGES TO THE RFP

1. On page 12, remove item 2. under B. Submission - *****Hard Copy Submittals Accepted Only***** of section IV. Submitting a Response and replace with the following:
2. Responses must be **securely** bound by any means **except** by 3-ring binders and paper/binder clips. One (1) hard copy should be clearly marked as "ORIGINAL" on the cover and the signature sheet. Eleven (11) hard copies must also be submitted. The CD or USB, original and all copies should be submitted in a sealed package, with the project information and deadline date and time clearly identified on the outside of the package.

END OF CHANGES TO THE RFP

This Addendum is one (1) page in its entirety. There are no attachments.
