Phase II Basin Pump Station Improvements Project  
June 10, 2015

- Question 1: Does the cover letter count towards the 20 page limit?  
Answer: No, the cover letter does not count towards the 20 page limit.
- Question 2: Does the table of contents count toward the 20 page limit?  
Answer: The table of contents does count toward the 20 page limit.
- Question 3: Have the locations of the leaks in the yard piping been located? If so where are they?  
Answer: SAWS did not thoroughly inspect the buried portion of the yard piping while pump station was running. Therefore, exact locations of the leaks on the buried yard piping were not identified.
- Question 4: Can a Booster Station Site Plan with all current yard piping locations and sizes be posted on the SAWS web site as a reference for SOQ development?  
Answer: SAWS decided not to release the site plan with yard piping information in the RFQ process.
