

**REQUEST FOR QUALIFICATIONS**  
**Production Facilities Design Engineering Work Order Contract – 2017**  
**Solicitation No.: PS-00031-GC**  
**Addendum 1 | September 29, 2016**

QUESTIONS AND ANSWERS

1. **Please confirm if a printed copy of the Form 1295 submission is required to be submitted as part of our response and that it does not count towards the page limitations.**

*No. Form 1295 is not a required document to be provided with the submittal. Form 1295 will be requested with the contract documents.*

2. **Do you require references for each of the subconsultants? If so how many?**

*Yes. Please refer to the Changes to the RFQ Submitting a Response.*

END OF QUESTIONS AND ANSWERS

CHANGES TO THE RFQ

**Section IV. Submitting a Response C-8 add the following:**

**Experience in Similar Projects and Services for Sub-Consultant**

- Provide a list of at least one (1) previous project in the last five (5) years for each sub-consultant in which the sub-consultant has performed services similar to those sought in this solicitation, either as a prime consultant or sub-consultant, especially with SAWS and/or within San Antonio and/or Texas area to demonstrate knowledge of local conditions. This list at a minimum shall include:
  - Names of client and location (city and state)
  - The corresponding year and duration of assignments
  - Brief description of projects
  - Schedules and construction budgets of projects, major challenges/issues and solutions offered
  - Sub-consultant's role and responsibilities in project(s)

Reference contact to include names, titles and a current phone number.
