

**SAN ANTONIO WATER SYSTEM
2019 SMALL CAPACITY CONSTRAINTS – ENGINEERING DESIGN SERVICES**

**SOLICITATION NO. PS-00066
REQUEST FOR QUALIFICATIONS**

**ADDENDUM 1
February 28, 2019**

Clarifications:

1. Page 14 - The resumes requested in Question 3 of Team Experience and Qualifications do not need to include all of the Key Personnel identified in Question 1; the minimum requirements are to include the Key Personnel listed under Question 3.
2. Page 12 - No written questions were received prior to the deadline indicated in the Request for Qualifications.

Changes to the RFQ:

1. Page 9 – Insert the following at the end of Section D. Scope of Services:

The conceptual level construction cost estimate for these projects is a total of \$7.0 million.
