

## REQUEST FOR QUALIFICATIONS

### STEVEN M. CLOUSE WRC DIGESTER MIXING AND SYSTEM ENHANCEMENTS – PHASE 3

Solicitation No.: PS-00083-FF  
Addendum 1 | October 25, 2019

#### CHANGES TO THE RFQ

- 1. RFQ Cover Page**, remove the paragraph “**Non-mandatory Pre-Submittal Conference: November 7, 2019 at 10:00 a.m. (CT)**” and replace with the revised paragraph “**Non-mandatory Pre-Submittal Conference and Site Visit: November 7, 2019 at 10:00 a.m. (CT)**”. The revised RFQ Cover Page is attached to this Addendum.
- 2. Page 9, Section E. Estimated Timeline**, remove the second sentence which reads “November 7, 2019 at 10:00 a.m. ....Non-Mandatory Pre-Submittal Conference” and replace with the revised sentence “November 7, 2019 at 10:00 a.m. .... Non-Mandatory Pre-Submittal Conference and Site Visit”.
- 3. Page 10, section III. Communication B. Pre-Submittal Conference**, remove the entire section and replace with the following:

#### B. Pre-Submittal Conference and Site Visit

1. Respondents may ask verbal questions regarding this solicitation at the non-mandatory Pre-Submittal Conference and Site Visit on:

November 7, 2019 at 10:00 am (CT)  
Steven M. Clouse WRC  
Administration Building 16, Meeting Room  
3495 Valley Road  
San Antonio, TX 78221

2. Respondent may contact Fred Flores via email at [Fred.Flores@saws.org](mailto:Fred.Flores@saws.org) if directions to the location are needed.
3. A non-mandatory site visit will immediately follow the Pre-Submittal Conference. Attendance is encouraged in order for the proposed Respondent to gain a better understanding of the Project and ask relevant questions.

4. Any oral responses provided by SAWS staff at the Pre-Submittal Conference and/or the Site Visit shall be preliminary. Any oral response given at the Pre-Submittal Conference and/or the Site Visit shall not be official or binding on SAWS. Only written responses shall be official and all other forms of communication with any officer, employee or agent of SAWS shall not be binding on SAWS.
5. SAWS has a new security policy in place which requires all visitors to check in at the guard station and be escorted at all times while on SAWS property. Therefore, it will be necessary for all persons attending the pre-submittal meeting and site visit to allow sufficient time to check-in. We recommend arriving at least 30 minutes prior to the meeting start time.

At check-in with the guard station, the guard will ask to see the attendee's identification, preferably a driver's license, and will need to record the attendee's name, job title and company, please provide this as well. Also, please advise the guard that you are here to attend a meeting at the location referenced above.

If the attendee is already in possession of a SAWS issued contractor badge, this is sufficient and should be worn upon entering the SAWS Customer Service Building and kept on during the meeting and until exiting the SAWS property gate.

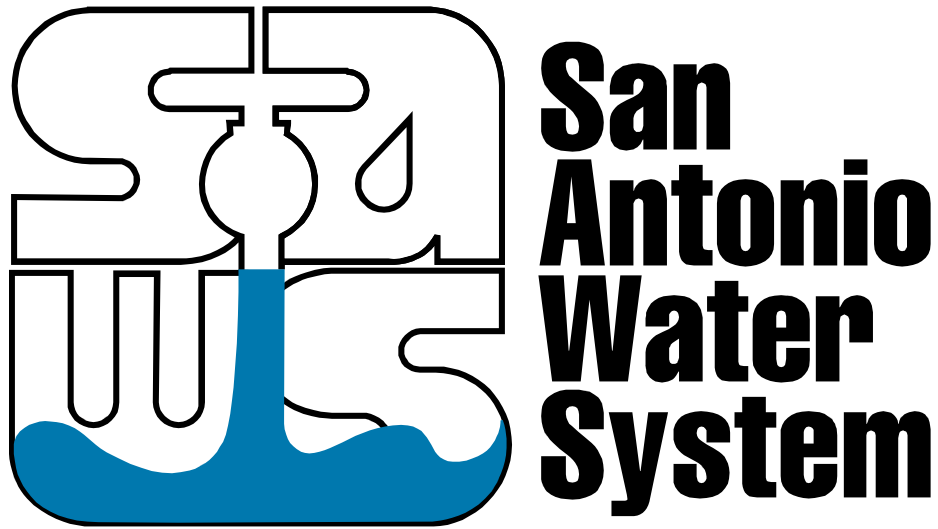

<b>CLARIFICATIONS AND MODIFICATIONS</b>
---

The Changes to the RFQ listed in the Addendum 1 are made to provide for a site visit immediately following the Non-mandatory Pre-Submittal Conference, both to be held at the Steven M. Clouse Water Recycling Center located at 3495 Valley Road, San Antonio, Texas 78221.

**END OF ADDENDUM**

This Addendum, including these (2) pages, with attachments is three (3) pages in its entirety.
