Solicitation Number: PS-00090

ADDENDUM 1
December 19, 2019

To Respondent of Record:

This addendum, applicable to work referenced above, is an amendment to the specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the Respondent Questionnaire.

RESPONSES TO QUESTIONS

Question 1: **Is our completed Disclosure of Interested Parties (Form 1295) required to be submitted with our statement of qualifications?**

Response: *No, the completed Disclosure of Interested Parties (Form 1295) is not required to be submitted with your statement of qualifications at this time. It is only required if your firm has been selected to perform this project.*

Question 2: **There is a mention on the pre-proposal meeting presentation on slide 21 of an “Availability Table Matrix.” This form is not attached on the RFQ or Attachment I or II. Can you please provide the form or explain if the matrix is included in the submission?**

Response: *During the pre-submittal conference there was a mention on slide 21 of an “Availability Table Matrix”; however, this was an error and is not a requirement.*

Question 3: **If the “Availability Table Matrix” is added to the SOQ submission, does that change the page count? There is no mention of the form anywhere on the RFQ including on the Checklist. The form would make it over the 20 page limit if we are to add it. Can you please clarify the page count if it includes the “Availability Table Matrix?”**

Response: *Please see response to Question 2.*

Question 4: **The total page count allowed says 20, if we take out Attachment III from page count, we are coming up with only 15 pages, just wanted to make sure 20 page count total is correct, please clarify.**

Response: *As stated in the Request for Qualifications, Section IV Submitting a Response, responses are limited to maximum of **twenty (20) pages**.*
