Engineering Design Services Work Order Contract RFQ
Solicitation No. PS-00147-LE

ADDENDUM NO. 3
February 1, 2023

To Respondent of Record:

RESPONSES TO QUESTIONS

1. If an I&C contractor is supporting one (or more) of the design engineering firms, will that preclude them from pursuing the construction phase of these projects?

Response: SAWS position is that such would be deemed a conflict of interest and a firm, whether as prime or a sub, involved in the design or as a program manager for the design of a project would be precluded from doing work during construction.
