I, _____ request a permit be granted for a sewer connection
State Master Plumber Name (Print)
 installation from the stated property to the San Antonio Water System approved sanitary sewer collection system. I understand and acknowledge that any Edwards Aquifer Recharge Zone/Outside City Limits (EARZ/OCL) sewer connection requires all applicable sewer impact fees be submitted to SAWS for payment. All permit requirements, sewer connection, material, and workmanship must conform to current Utility Service Regulations. I acknowledge the sewer connection authorized by the SAWS-EARZ/OCL permit is issued based on information submitted on this EARZ/OCL permit request application, and I attest to be an employee in good standing with the company stated below. I attest to having a valid license at the time of application and throughout construction. A copy of the "Master Plumber's License" must be on file at SAWS for permit processing.

All sewer impact payment fees are paid in full prior to issuance of permit. EARZ/OCL permits require sewer connection(s) to be inspected and accepted by a SAWS inspector. Non-conforming work shall have re-inspection fees, workmanship and materials corrected within 10 days of failed inspection date. The permit expires six months from the issued date.
