

REQUEST FOR PROPOSALS THIRD PARTY DATA VALIDATION SERVICES

BID NO: 19-19078

**Addendum No. 1
July 2, 2019**

Question and Response

- Question:** Solicitation Section I(C)(2), on page 1 of 67, requires three data elements that our solution does not validate. They are: income, disability status, and veteran status. Would SAWS consider a bid for a solution without these data elements? Or would the lack of these elements render the bid nonresponsive and ineligible for award?

Response: *While SAWS requests a solution that provides four data elements specified under Section I(C)(2) a-d, if a respondent is unable to propose one or more of the specific data elements, SAWS will consider the respondent's proposal. Respondent can also propose alternative data elements or alternative methods of validating data or determining the trustworthiness of the applicant and subsequently the veracity of the data the applicant provides.*
