I. QUESTIONS: General

1) Will there be flexibility in setting up the training schedule?

Response: We will always work with the Vendor(s) and consider their circumstances, but the vendor must be able to accommodate and be flexible for our needs without penalty.

2) Would you consider some flexibility in 48 hour notice of cancellation?

Response: We plan a training schedule to ensure we are within budget, coordinate with Manager/Directors to ensure attendance. However, due to our constant fluid workload changes, student (employees) may become available or get pulled to go to work; we may need to reprogram/change the scheduled training, or we may need to cancel class(es). We will always work with the Vendor(s) and consider their circumstances, but the vendor must be able to accommodate and be flexible for our needs without penalty.
