

**REQUEST FOR PROPOSALS  
CONFERENCE ROOM STREAMING CONFIGURATION  
FOR SAN ANTONIO WATER SYSTEM**

**BID NO: 19-19141**

**Addendum No. 1  
October 29, 2019**

Question and Response

1. **Question:** Can you provide a past bid tabulation or an estimated cost for the Conference Room Streaming Configuration?

**Response:** *This is a new project request, therefore there isn't a past bid tabulation. While cost is a factor it is not the only basis for award, and at this time we do not have an established budget.*

End of Question and Response

**IT IS NOT NECESSARY TO RETURN ADDENDUM 1.**
