

SAN ANTONIO WATER SYSTEM
Dos Rios Water Recycling Center (DRWRC) Digester Mixing and System
Enhancements, Phase I
SAWS Job No. 07-6500
Solicitation No. B-10-031-MF

ADDENDUM NO. 2

To Bidder of Record:

This addendum, applicable to the project referenced above, is an amendment to the bidding documents and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the addendum number and issuance date in the space provided in the bid proposal.

Special Condition: LCP Tracker System

SAWS is acquiring LCP Tracker, a web based system to track certified payrolls for prime and subcontractors. This system is scheduled to be in full use by the end of 2010, therefore contractors are advised that the use of this system will be a requirement for this project. Listed below are the reporting requirements and link to the LCP web site.

Electronic Web submittal of Labor Compliance Reports

Each contractor and every lower-tier subcontractor will be required to submit certified payrolls and labor compliance documentation electronically utilizing the LCP Tracker web-based application as of the first Certified Payroll Report (CPR) and with every CPR thereafter.

Electronic submittal of CPRs will be accessed through a link on SAWS' "Business Center" web page. Each contractor and subcontractor will be provided a Logon identification and password to access the SAWS LCP Tracker reporting system.

Training on the use of the system will be provided by SAWS and LCP Tracker telephone support. Electronic submittals will require data entry of weekly payroll information including: employee identification, labor classification, total hours worked and hours worked on this project, wage and benefit rates paid, etc. This electronic submission requirement also applies to every lower-tier subcontractor required to provide labor compliance documentation.

Additional information on the LCP Tracker System can be found on: www.lcptracker.com
