The Contractor herein	acknowledges	receipt of	the following:
Addendum Nos.			

OWNER RESERVES THE RIGHT TO ACCEPT THE OVERALL MOST RESPONSIBLE BID.

The bidder offers to construct the projects in accordance with the contract documents issued under each work order for the contract price based on the unit prices provided for in this bid. The bidder understands and accepts the provisions of the contract documents and this Bid Proposal relating to liquidated damages of the project if work orders are not completed on time. Complete the additional requirements of the Proposal which are included on the following pages.

Special items are included in the SPECIAL CONDITIONS

The San Antonio Water System is currently requesting bids for four (4) Water and Sewer Construction Contracts and two (2) Water and Sewer Alley Construction Contracts. These Construction Contracts are open cut experienced to be pipe bursting or curried in place pipe (CIPP) contracts. These projects will be constructed by open cut construction or boring where applicable. To be considered a responsive bid, the bidder rob make available at all times during the contract at least two (2) independent crews, fully staffed and equipped, to be actived working on concurrent work orders as issued, and must submit with their bid a detailed description of the available, it sources (equipment, employees, etc.) demonstrating the ability of the bidder to have a minimum of two (2) crews only staffed and equipped, available to this contract at all times. Any bid package that does not include this information of any bidder who cannot make available at all times at least two (2) independent crews, fully staffed and equipped, for authority any bidder who cannot make available at all times at least two (2) independent crews, fully staffed and equipped, for authority in which it is the lowest bidder may be deemed non-responsive at the sole discretion of the San Antonio Water Setem. The San Antonio Water System is currently requesting bids for four (4) Water and Sewer Construction Contracts and two (2)

PROPOSAL CERTIFICATION

the San Antonio Water System for dollars (\$), which amount represents five percent (5%) of the total bid price. Said bond or check is to be returned to the bidder unless the proposal is accepted and the bidder fails to execute and file a contract within ten (10) calendar days after the award of the
Contract, in which case the check shall become the property of said San Antonio Water System, and shall be considered as payment for damages due to delay and other inconveniences suffered by said San Antonio Water System due to the failure of the bidder to execute the contract. The San Antonio Water System reserves the right to reject any and all bids.
It is anticipated that the Owner will act on this proposal within <u>sixty (60)</u> calendar days after the bid opening. Upon acceptance and award of the contract to the undersigned by the Owner, the undersigned shall execute standard San Antonio Water System Contract Documents and make Performance and Payment Bonds for the full amount of the contract within <u>ten (10)</u> calendar days after the award of the Contract to secure proper compliance with the terms and provisions. The contract, to insure and guarantee the work until final completion and acceptance, and the guarantee period stipulated and to guarantee payment of all lawful claims for labor performed and materials furnished in the fulfillment of the contract.
It is anticipated that the SAWS will provide written Authorization to Proceed within thirty (30) days after the award of the Contract. The Contractor hereby agrees to commence work under this Contract as noted in the SAWS written Authorization to Proceed.
Under no circumstances shall the work commence prior to Contractor receipt of SAWS issued, written Authorization to Proceed.
The undersigned certifies that the bid prices contained in the proposal have been carefully checked and are submitted as correct and final.
discriminate on the grounds of race, color, religion, set or national origin and that the bidder will affirmatively cooperate in the
