RESPONSES TO QUESTIONS

1. Question: Do we need to only remove the cover or the entire structure?

Response: Only the cover and associated supports are to be removed. The concrete structure is to remain in place.

2. Question: The plans posted are just the Structural plans. On S-3 the general notes state that we should refer to the civil, mechanical, and electrical sheets for dimensions and information not shown but I cannot locate those pages. Are there only suppose to be the S-1 to S-3 pages for this project?

Response: The contract documents consist of drawings S-1 to S-3. There are no civil, mechanical, or electrical drawings as part of this project. Disregard the general note referring to those sheets.
