# Good Faith Effort Plan (GFEP) FAQs

- **Q: Is the 27% SBOP goal mandatory?**  
A: No, but we ask prime contractors to do their best with good faith outreach efforts. If the goal is not met, proof of outreach efforts is required with the submittal.
- **Q: What if I am having trouble finding SMWB-certified subcontractors?**  
A: The SCTRCA has a search portal at [www.sctrca.org](http://www.sctrca.org). Please include SAWS-specific parameters in your search. Contact SBOP Manager Marisol V. Robles at [Marisol.Robles@saws.org](mailto:Marisol.Robles@saws.org) if assistance is needed.
- **Q: I'm a prime contractor. If my business is SMWB-certified, do I need to find SMWB subs?**  
A: If your company is SMWB-certified, you will most likely meet the goal. However, the GFEP is a required document, and a good faith outreach effort is still necessary.
- **Q: Do I need to include all my subcontractors and suppliers in the GFEP or just those that qualify towards the SBOP goal?**  
A: All subcontractors and suppliers need to be included in the GFEP, including non-SMWBs.
- **Q: What if I have questions about the GFEP?**  
A: Please contact the SBOP Manager, Marisol V. Robles, at [Marisol.Robles@saws.org](mailto:Marisol.Robles@saws.org). GFEP questions can be asked at any time until the submittal is due.
