3. Questions and Answer

The following are questions received by SAWS by February 12, 2010 and at the mandatory pre bid meeting. The responses are provided for each question received.

Q1 Please identify the location of each package. The maps located on the specifications for each package are identical and are not specific?

Response:

Package I through Package VI has the same project location maps. These are potential project maps and selection on which project will be assigned to each construction package will be determined by SAWS.

Q2

- a. There are no Bid Items listed for these projects, in reference to "rock".
- b. How is "rock" going to be handled?
- c. Should it be included in the Bid Items?
- d. Where should pricing be included?
- e. In pipe pricing?
- f. How is it determined, which Contractors will have Work Orders distributed to them, regarding this type of construction?

Response:

a. Correct, there are not bid items for Rock.
b. All excavation will be unclassified soil
c. Yes
d. It is up to the contractor to determine where to include the cost as part of his bid.
e. It is up to the contractor to determine where to include the cost as part of his bid.
f. SAWS will determine who to distribute work orders and will not be based on type of construction.

Q3 How will Liquidated Damages be assessed on these packages per work order amount or per the total amount of the contract?

Response:

Amount of Liquidated Damages will be \$200.00 per day per work order.

The remainder of the bid documents remains unchanged.

Each bidder is requested to acknowledge receipt of this Addendum No. 1 by his/her signature affixed hereto and to file same as an attachment to his/her bid.
