#### RESPONSES TO QUESTIONS

- Question:** Price Proposal Page PP-4 Items 19 & 20 show the Microclor Systems being Allowance Items. Specification 01 22 13 1.3.S & 1.3.T describe Proposal Items 19 & 20 as Lump Sum Items. Finally, Special Condition SC8 provides a 'Firm Proposal' from PSI Water Technologies, however the pricing provided is shown as Budgetary Pricing.

Since the PSI Proposal identifies the pricing as Budgetary and the Price Proposal form includes this pricing as an Allowance Item, please confirm that pricing provided is actually a Lump Sum firm price as described in Specification 01 22 13 for these 2 bid items.

*Response: The Microclor Systems are allowance items in accordance with the Price Proposal. Refer to Changes to the Specifications, Item 1, for changes to the Measurement and Payment Specification for clarification. Microclor's documentation lists this as a "Firm Proposal" and it should be treated as a firm price.*
