

**SAN ANTONIO WATER SYSTEM
WATER SYSTEM CONSTRUCTION**

Addendum No. 2

To Specifications For

**Sanitary Sewer Cleaning, Inspection, and Repair of Designated "Year 1" Siphons
SAWS Job Nos. 13-0113 (O&M) and 13-4812 (CIP)**

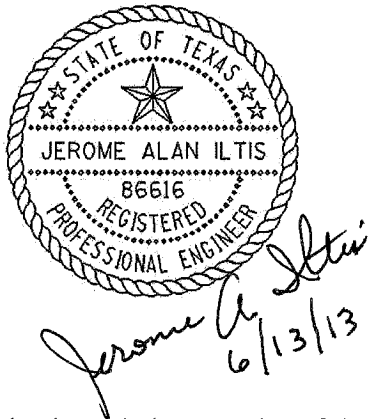

To Proposer of Record:

This addendum, applicable to the work associated with the above referenced Contract, is an amendment to the proposal solicitation documents and as such shall be a part of and included in the Contract. The original proposal solicitation documents and any prior addenda remain in full force except as modified by the following, which shall take precedence over any contrary provisions in prior documents.

Special Conditions:

In Section SC-2.22, amend the second paragraph to read as follows:

"When a manhole riser exists on top of the siphon box, the ring and cover in that manhole riser shall be replaced size on size with a new ring and cover. The interior side of the ring and cover shall be coated with epoxy only. The ring and cover replacement of the siphon box manhole riser is incidental to the box coating work. No separate payment will be made."
