

Austin and Callaghan Elevated Storage Tank Rehabilitation

This project will include two steel elevated storage tanks (ESTs): Austin and Callaghan. These tanks are located on SAWS facilities at:

Austin (1.5 MG EST): 6227 Franklin St, San Antonio, TX 78209

Callaghan (1.0 MG EST): 7018 Callaghan Rd, San Antonio, TX 78229

This project will consist of the rehabilitation and recoating of the existing elevated storage tanks and miscellaneous piping at the site.

The purpose of this project is to properly maintain the equipment at this location for ongoing reliable operation and to prolong the life of the tanks.

When Work Will Occur:

- Construction award is planned for August 2024.
- Estimated construction duration is 360 days.

What to Expect:

- Construction of this project will occur within SAWS property.
- During the construction of this project lane closure may happen adjacent to the project site.
