RESPONSES TO QUESTIONS

1. *Will SAWS furnish the 8" turbine meter and the contractor install it?*

Answer: Per the Special Provision to Item No. 824, the Contractor shall supply and install all items shown in detail DD-824-12, including the 8-inch turbine meter and strainer.

2. *There is a traffic control plan included in the plans for this project. Would that mean that as far as the traffic control the Contractor is responsible for following the plans and placing traffic control devices where indicated? A signed and sealed traffic control plan will not be required on this project to be provided by the Contractor?*

Answer: The Contractor shall install traffic control as shown on the plans, and will not be required to submit a signed and sealed traffic control plan.
