To Bidder of Record:

This addendum, applicable to work referenced above, is an amendment to the bid proposal, plans and specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the bid proposal.

Question and Answer:

Question No. 1: *"I just downloaded the bid documents and it mentions plans can be downloaded from SAWS site, but I do not see any plans."*

Answer: This is a work order contract. All work that will be issued under this contract is unspecified at the time of bidding. Therefore, there are no plans. There are, however, drawings of details referenced in the bid documents that are found in the standard specifications. SAWS Standard Drawing No. DD-852-01 is an example. SAWS standard specifications are posted on the SAWS internet web site at http://www.saws.org/business_center/specs/constspecs/.
