

**SAN ANTONIO WATER SYSTEM
WATER SYSTEM CONSTRUCTION**

Addendum No. 1

To

Plans and Specifications

For

2010 Annual Sanitary Sewer Main Point Repair and Manhole Adjustments Contract –

Package 3

SAWS Job Nos. 10-0110 (O&M) and 10-1402 (CIP)

To Bidder of Record:

This addendum, applicable to the work specified above, is an amendment to the bidding documents and as such shall be a part of and included in the Contract. The original contract documents and any prior addenda remain in full force except as modified by the following, which shall take precedence over any contrary provisions in prior documents.

Question and Answer:

The following questions were received by SAWS. Responses for the questions are provided.

Q1 – For line item 805, are you requesting Engineer stamp on traffic plans?

Response: A Professional Engineer registered in the State of Texas is required to seal the Traffic Control Plan when required by the City of San Antonio or other governing right-of-way agency.

Q2 – For line item 805.1, is there a certain amount per hour we cannot exceed?

Response: There is no limitation to the amount bid for this line item. See Special Conditions for details.
