Job Nos.: 11-7701**

**ADDENDUM 4  
FEBRUARY 14, 2014**

This addendum includes a clarification to the RFQ.

**CLARIFICATIONS**

1. SAWS understands that the terms "Safety Plan" and "Safety Manual and Health Policy", are also commonly referred to as the "Safety and Health Plan". For the purposes of this RFQ, these terms can be used interchangeably. This document, though it does not count towards the 85 page limit, is nevertheless limited to three (3) pages.
2. Please note that all items, a) through p), identified on page 8 of the RFQ, in Section II., C. 1. Evaluation Criteria, E. Safety and Records, as amended within Addendum #3, should be included in the SOQ by the Respondent. All items within E. Safety Program and Records are considered required and will not count towards the page limit.
