### Vista Ridge Integration Project Owner's Representative

Solicitation No.: Q-16-001-RA

Addendum 2 | June 23, 2016

#### QUESTIONS AND ANSWERS

1. For firms that are listed as subconsultants on the OR team, is there a certain type or percentage of work that would disqualify them from participating in the DB contract, or is any amount of participation prohibited?

*Firms that serve as subconsultants on the OR team are prohibited from participating in the DB contract, as a prime or subconsultant, regardless of their percentage of participation. Please reference Section I., D. Additional Requirements, 1. of the RFQ.*

2. During the pre-submittal meeting for the subject solicitation, Vista Ridge Integration Project Owner's Representative, it was stated that the "selected OR prohibited from responding to procurement for DB contract or in any form or capacity be a part of the DB firm." Can you please clarify? Does this include subconsultants who are on the prime's team for the OR project? Is there a maximum percentage for subconsultants on the successful OR team that could still prime or be part of the DB team?

*Please see response to #1.*
