

## REQUEST FOR QUALIFICATIONS

### Information Technology Consulting and Technical Support Services Task Order Contracts

Solicitation No.: Q-18-001-JG

Addendum 5 | March 1, 2018

#### CLARIFICATIONS

1. SAWS has been made aware that there is an issue when merging additional attachments into one PDF due to the naming of the fields of number 1 and 2 from Attachment A, Evaluation Criteria Form: Experience and Qualifications and number 1 from Attachment B Evaluation Criteria Form: Similar Past Projects and Performance.

For this reason, SAWS is permitting these three items to be submitted as separate PDFs for each additional functional area a firm is submitting on. Please reference #1 of Changes to Addendum 3 within this Addendum.

It is still important to be aware of the size limitation for submissions per item 1 under section IV. Submitting a Response, B. Submission - **\*\*\*Electronic Submittals Accepted Only\*\*\***.

#### CHANGES TO ADDENDUM 3

1. Question: For Resumes, Org chart and other attachments, should we merge them into the response as single PDF or address them as multiple attachments and reference them in the response? Would multiple PDFs be acceptable or all docs needs to be merged as single PDF?

*Answer: Responses are to be merged into a single PDF **with the exception** of number 1 and 2 from **Attachment A** Evaluation Criteria Form: Experience and Qualifications and **number 1** from **Attachment B** Evaluation Criteria Form: Similar Past Projects and Performance. Those three items may be submitted as separate PDFs if **Respondent is submitting for more than one functional area.***

No other items, dates, or deadlines for this RFQ are changed.
