Job Nos.: 13-8607**

ADDENDUM #2

April 15, 2013

This addendum includes a revision to the RFQ.

CHANGES TO THE RFQ

1. Page 1-2, Section I. C, within the second paragraph that reads:

Construction management shall also consist of managing the schedule, reporting, reviewing and processing contractor pay applications, providing quality assurance testing, conducting and documenting progress meetings, tracking issues and resolutions, testing, startup, commissioning and other tasks, as needed.

Is amended to read:

Construction management shall also consist of managing the schedule, reporting, reviewing and processing contractor pay applications, conducting and documenting progress meetings, tracking issues and resolutions, testing, startup, commissioning and other tasks, as needed.

2. Page 14, Section IV. C, 7. a. that reads:

Provide a summary of the Quality Management processes to include, but not limited to, the inspection and testing of construction materials and processes. Include a sample inspection report (maximum of 4 pages).

Is amended to read:

Provide a summary of the Quality Management processes to include, but not be limited to, the inspection of project construction and pipeline system testing. Include a sample inspection report (maximum of 4 pages).

END CHANGES TO RFQ

No other items, dates, or deadlines for this RFQ are changed.
