

To access the SAWS Customer Center building:

From northbound U.S. 281:

Take the St. Mary's St. / Mulberry Ave. exit. Continue on the access road through two traffic lights, crossing St. Mary's and Mulberry.

After crossing Mulberry, the SAWS Administrative office is the second office building on the right. The parking lot and main entrance are located on the west side of the building.

From southbound U.S. 281:

Take the Mulberry Ave. / St. Mary's St. exit. Before crossing Mulberry take the turnaround under U.S. 281.

Traveling northbound on the access road, the SAWS Administrative office is the second office building on the right. Turn right into the final driveway before the access road crosses over U.S. 281. The parking lot and main entrance are located on the northside of the building.
